

# ZUFF – Practical Fire Safety for Modern Risks

## The Challenge

Most fire safety equipment is designed for professionals – but incidents are handled by everyday people.

## The ZUFF Difference

- ✓ Compact and portable
- ✓ Simple activation
- ✓ No maintenance
- ✓ Designed for modern environments

## Ideal For

Vehicle  
fleets

Warehousing  
& logistics

Property  
managers

Hospitality

Public  
infrastructure

# Commercial Advantages

- ✓ Easy deployment ✓ Scalable supply
- ✓ Competitive unit economics ✓ Reduced compliance friction

## Next Step

Pilot programs and volume supply agreements available.
